DAY OF SHOW!

CentralLakeChamber.com

Dear Central Lake Car Show Registrants,

Please save the date for the second Saturday in June for the car show this year! While I told you last year at the show that we were changing the date, we discovered that the new date conflicts with another important hometown event nearby.

Many of the people who visit our car show or enter their vehicles participate in that event and we do not want people having to choose which event they will go to. We want people to enjoy both events at their leisure and have fun visiting both communities on non-conflicting days.

I deeply apologize if the date switch is an inconvenience to you and am ever hopeful you will visit CL as in years past. I know some folks plan their show calendars in advance but please know how important you are to our little town and car show, just as our locals and community goodwill are. I promise you that the CL Car Show team will strive to bring you the best 2019 CL Car Show ever--on the second Saturday of June from here on out.

See you on June 8, safe travels :)
